

Nestled within an approximately 0.7-acre plot, this pristine three-bedroom detached barn conversion exudes elegance and charm. Boasting a double detached garage, orchid, detached annex, and an expansive driveway, this property offers convenience and ample parking space. The thoughtfully designed home features underfloor heating throughout, achieving an Energy rating C. With stunning bathrooms, a magnificent kitchen, and an abundance of character, this residence promises a truly exceptional living experience.

The home also has the added benefit of an annex providing bedroom four/study, kitchen and shower room.

The home has the added benefit of planning approval for a proposed extension to create a further lounge with a glazed link (Planning reference DMPA/2023/I036)

Location

Sutton on the Hill is a peaceful countryside village that offers convenient access to nearby towns such as Mickleover and Etwell, as well as larger cities like Derby, Burton, Uttoxeter, and Ashbourne. It is also well-connected to major roads like the A50 and A38, which provide easy links to the M1, M6, and M42 highways. Additionally, the village is close to the private education options provided by Foremarke Hall and Repton School. For those traveling, Manchester and East Midlands International airports are within reach.

Entrance Hall

With a double glazed entrance door, high ceiling, exposed beam, R9 double glazed windows with deep window sills, eaves storage with power and lighting and large Porcelanosa tiled flooring with under-floor heating in a marble effect.

Study

With Cat 5 wiring, a radiator, a TV point, a telephone point, an exposed beam, a feature exposed truss with inset glasswork, and a double glazed skylight window.

Gardens

This captivating barn conversion is enhanced by its beautifully landscaped gardens, both at the front and rear of the property. The gardens boast stunning lawns complemented by charming gravel and blue paved pathways, sleepers, tasteful fencing, delightful inset flower beds, and elegant black painted wrought iron railings with a hand gate. Adding to the allure is an enchanting tree that adds a touch of natural beauty. The front garden also locates the newly installed Calor gas tank, which has been positioned below ground.

Sweeping Driveway

One of the standout features of this barn conversion is its generously sized driveway, providing plenty of space for manoeuvring and accommodating approximately ten cars. Accessible through a distinctive five-bar ranch-style gate, the driveway is enclosed by matching five-bar fencing, ensuring privacy and security.

Orchid

The orchid is an extensive parcel of land that has been acquired by the current owners and has an array of fruit trees including apple, pear and plum, there is also a veg patch adjacent. An idyllic seating area is placed in the corner, edged by low hedge row, the perfect spot to enjoy the adjacent countryside. The septic tank is located at the edge of the orchid and has been recently installed.

Brick Detached Garden Room

Offering versatility and functionality, this detached outbuilding is a valuable addition to the property. It can serve as an annex, an office, or a gym, adapting to your specific needs. The outbuilding boasts insulation for year-round comfort and is equipped with power, lighting, heating, and a practical storage alcove. Inside, you'll find a vaulted ceiling, accentuated by two beams, as well as sealed unit double glazed windows that allow ample natural light to illuminate the space. The matching sealed unit double glazed French doors open onto the garden, seamlessly connecting the indoors with the outdoor surroundings.

Shower Room

The shower room is thoughtfully designed and features a low level WC, a wash hand basin with a mixer tap, and a walk-in shower with a gravity shower over. With its heated towel rail, recessed spotlighting, and electric extractor fan, it offers both comfort and convenience.

Kitchenette

The kitchenette is a convenient addition, offering functionality and ease of use. It highlights a single sink with a mixer tap, providing a practical space. The sealed unit double glazed door provides direct access to the garden.

Double Garage

To cater to your storage and parking needs, a double garage is available on the premises. The garage is equipped with electric roller doors for convenient access, ensuring the safety and security of your vehicles. Inside, you'll find power and lighting, as well as eaves storage for added convenience and organisation.
