Bathroom

With a UPVC double glazed frosted glass window to the front elevation, featuring a four piece family bathroom suite, comprising of low-level WC, bath unit with shower over, bidet, wash basin and central heating radiator.

Outside

At the rear, a paved patio offers an inviting entertainment space with ample privacy, leading to a garden predominantly adorned with lush lawns and vibrant borders hosting an array of shrubs and plants. This area is enclosed by mature hedges and features additional concrete hardstanding suitable for a greenhouse and storage.

Towards the front, a well-maintained lawn is complemented by flourishing shrub borders and a central bed with a distinct shape. A gravel driveway, with right of access, leads to off-road parking for multiple vehicles and a garage equipped with up-and-over doors on both front and rear elevations, along with power points. The garage's loft space benefits from natural light provided by a double-glazed skylight.
