Hallway

Accessed via a UPVC double glazed frosted side entry door with adjoining double glazed side panel, the hallway offers a warm welcome into the home. A useful built-in storage cupboard houses the consumer unit and features eye-level shelving. Additional features include a central heating radiator, smoke alarm, and a staircase rising to the first-floor landing.

Lounge

With a UPVC double glazed bay window to the front elevation, this bright and welcoming space features a central heating radiator and TV aerial point. An internal glass-panelled door leads to:

Kitchen

A well-proportioned and light-filled kitchen, benefitting from two UPVC double glazed windows to the rear elevation and a UPVC double glazed rear entrance door. Fitted with a range of matching base and eye-level storage cupboards and drawers, complemented by wood block-effect drop edge preparation work surfaces. Integrated appliances include a four-ring induction hob, oven/grill, and a ceramic sink with chrome mixer tap. There is ample space and plumbing for freestanding under-counter white goods. Finished with a central heating radiator. Also an under stairs storage cupboard provides useful pantry and utility space.

Landing

A spacious landing area offering access to the loft space via a hatch with pull-down ladders. An airing cupboard houses the hot water immersion tank, smoke alarm, complete with eye-level shelving and a thermostat. Doors lead to the following rooms:

Bedroom One

A generously sized double bedroom featuring two UPVC double glazed windows to the rear elevation. The room is well-appointed with a comprehensive range of built-in wardrobes, overhead storage cupboards with hanging rails and shelving, a dressing table, and a central heating radiator.

Bedroom Two

A bright and airy room with a UPVC double glazed window to the front elevation and central heating radiator.

Bedroom Three

A comfortable bedroom offering a UPVC double glazed window to the front elevation, central heating radiator, and a TV aerial point.

Family Bathroom

A stylish refitted three-piece suite comprising a low-level WC with continental flush, pedestal wash hand basin, and a panelled bath with electric shower over. The walls are finished with modern PVC panelling. A UPVC double glazed frosted window to the side elevation provides natural light, complemented by a central heating radiator.

Externals

To the front elevation, the property benefits from a driveway providing off-street parking, enclosed by a perimeter brick wall. Decorative pebbled borders are interspersed with a selection of mature and ornamental planting, enhancing the property's kerb appeal. A shared driveway runs to the side, giving access to the rear and to the garage.

To the rear, the property boasts a block-paved patio area ideal for outdoor seating and entertaining, leading to a mainly lawned garden. Decorative slate pebbles border the perimeter, complemented by a selection of mature Acers and ornamental trees. Timber panel fencing with concrete posts defines the boundaries, while a detached garage with rear access door and an additional paved patio area behind offers further storage options.
