This upgraded and well-maintained detached property is ideally positioned in a quiet residential setting and offers a superb balance of living and bedroom accommodation, complemented by a landscaped rear garden and off-street parking to the front.

Ground Floor

The home opens with a smart composite front entrance door into a welcoming hallway, providing access to the principal reception rooms and a staircase to the first floor. The spacious living room is beautifully decorated with a large bay window to the front, allowing natural light to pour in, and offers ample space for multiple sofas and media units.

To the rear of the property is a striking open-plan kitchen diner – the heart of the home – finished with a comprehensive range of shaker-style base and wall units, quartz-effect worktops, inset one and a half sink with mixer tap, integrated double oven and microwave and five-ring hob with stainless steel extractor. The breakfast bar provides additional seating, while pendant lighting and wide windows give the space a bright, modern feel.

The dining area features a stylish accent wall and French doors opening out onto the patio and rear garden – ideal for entertaining. Off the kitchen is a practical utility room fitted with additional storage units, worktop space, and plumbing for appliances, with a part-glazed door leading to the garden. Also located on the ground floor is a modern WC with

patterned feature tiling, a wall-mounted vanity unit, and a chrome towel radiator.

First Floor

Upstairs, the property offers three well-proportioned bedrooms. The principal bedroom is a generous double, complete with a built-in storage cupboard and space for freestanding wardrobes. Bedroom two is also a double room with dual-aspect windows, and bedroom three is perfect for use as a children's room, nursery, or home

office, with attractive feature décor and rear-facing views.

The first floor benefits from two separate bathrooms – a fully tiled family bathroom featuring a modern three-piece suite with a 'P'-shaped bath and overhead rainfall shower, wash hand basin with vanity unit, WC, and heated towel rail, and a second shower room fitted with a corner cubicle, contemporary wash basin, WC, and vertical radiator.

Outside

The front of the property has a tarmac driveway providing off-street parking, alongside a low-maintenance gravelled garden area. A side gate leads to the rear garden, which is fully enclosed with timber fencing and includes a spacious paved patio for outdoor seating, a lawn area, a well-maintained shed, and planted borders for interest and privacy.
