Ground Floor

As you approach the property, you are greeted by an impressive front elevation, offering the most extensive off-road parking area within the development, courtesy of the block-paved driveway. Stepping inside this well-presented home, and you'll immediately appreciate the high level of craftsmanship and attention to detail. Every upgrade offered during the initial construction has been thoughtfully integrated, ensuring a premium living experience throughout.

The ground floor welcomes you with a spacious entrance hallway, oak glass panelled doors lead to the living room, which exudes warmth and comfort. Adjacent to it, the dining room provides a formal setting for hosting guests, complete with elegant finishes. The true heart of this home, however, is the living/dining kitchen, a haven for culinary enthusiasts and those who appreciate open living spaces. This expansive area allows for seamless socializing and dining, flooded with natural light from large windows and French doors that overlook the rear garden. The well-appointed kitchen features top-of-the-line appliances and tasteful cabinetry, making it an ideal space for both everyday meals and special occasions.

Completing the ground floor is a convenient WC and a utility room, ensuring practicality and convenience.

First Floor

Leading to the first floor, where you'll discover five generously proportioned bedrooms, each meticulously designed to provide comfort and privacy. The master suite benefits from a four piece bathroom and dressing area with an array of built in wardrobes with mirrored fronts and sliding doors. Bedrooms Two and Three boast en-suite shower rooms. A further family bathroom, finished to the same exacting standards, serves the remaining bedrooms.

Outside

The rear elevation has been carefully designed with a generous patio area that beckons for outdoor entertaining and relaxation. The laid-to-lawn garden, enclosed by timber fencing and planted trees offers tranquility and privacy. Hidden to the side, a fully landscaped garden presents a versatile hardstanding base, offering limitless possibilities for outdoor activities and hobbies.

Garage

Door access from the side elevation leads to a double garage with electric up and over door to front, perfect for two vehicles and every day storage.
