

STYLISH TWO-BEDROOM MID-TOWN HOUSE
(ORIGINALLY THREE BEDROOMS) | EN-SUITE &
FAMILY BATHROOM | GARAGE & PARKING VIA
PRIVATE DRIVEWAY

This immaculately presented and modern mid-town house was originally designed as a three-bedroom home and has been reconfigured to create two generously sized bedrooms. The layout could easily be reverted back to its original three-bedroom design, subject to any necessary building regulations, offering flexibility for growing families or future resale potential.

The ground floor comprises a bright open-plan kitchen/dining area, a convenient cloakroom/WC, and a spacious lounge. Upstairs, the principal bedroom features an en-suite shower room, with a separate main bathroom also on this level.

To the rear of the property is a garage and private off-road parking, accessed via a private driveway. Floorplans are available to show both the current and original layout. An annual maintenance fee of approximately £160.00 is payable to Remus Ltd for the upkeep of communal areas.
