

Abode are proud to present this spacious and beautifully maintained four-bedroom detached family home, positioned in a highly desirable location and boasting breathtaking rear views over open countryside.

Set in the picturesque and popular village of Marchington, the property offers easy access to local amenities and scenic countryside walks, creating the ideal balance of rural charm and everyday convenience. Just a short drive away, Uttoxeter provides a broader range of shops, schools, and leisure facilities, with excellent transport links nearby.

The home enjoys ample off-road parking, generous gardens to the front and rear, and exciting scope for extension to the side and rear (subject to the relevant planning consents).

Solar panels are fitted to the rear roof, with the owners informing us they generate an income of over £1,000 per annum under a 25-year tariff that commenced in 2011—an appealing additional benefit for future owners.

The well-planned accommodation includes an entrance porch, welcoming hallway, cloakroom/WC, a stylishly appointed kitchen, dining room, spacious living room, and a light-filled conservatory with a solid constructed roof—perfect for enjoying the views in comfort all year round. Upstairs, there are four generously sized bedrooms, the master benefiting from an ensuite, along with a modern family bathroom. The integral garage can be accessed both internally and externally for added versatility.

Externally, the property enjoys mature gardens, a shed and greenhouse (both included in the sale), and a pleasant rear aspect that embraces the surrounding countryside.

Offering excellent living space inside and out, and presented to a high standard, this is an ideal family home for those seeking space, comfort, and a beautiful setting. Early viewing is strongly advised.

Entrance Porch

A welcoming entrance porch with UPVC double glazed windows to three sides and a door leading in from the driveway, offering a bright and airy first impression.

Entrance Hallway
