Ground Floor

A welcoming hallway with patterned tiled flooring sets the tone, with staircase rising to the first floor. It is served by a private en-suite finished in contemporary tiling, with a glazed shower enclosure, vanity wash basin and WC.

First Floor

The first-floor landing is broad enough to create a useful study/reading nook and leads to the main living spaces. The shaker-style kitchen is fitted with deep blue cabinetry and marble work surfaces, a Belfast sink, integrated double ovens, a five-burner gas hob, wine cooler and breakfast bar seating; a door opens directly to the garden. The lounge diner offers excellent space for both relaxing and entertaining, with a log burning stove focal point, dual windows to the front and French doors opening to the patio and gardens. A stylish WC/cloaks completes this level.

Second Floor

The top floor provides two further bedrooms, each with character ceiling lines and good natural light, served by the main shower room fitted with a vanity unit, WC and a shower enclosure.

Outside

To the front the home sits behind wrought-iron railings with a well-kept fore-garden and a side gate through to the rear. A private driveway to the side provides off-street parking and leads to a single garage. The rear garden is a real feature: professionally landscaped with shaped lawns, established planting, and multiple seating zones including a patio by the French doors and further terrace areas—perfect for alfresco dining and summer evenings.
