Accommodation

Ground Floor

To the front of the home sits the living room, a bright and comfortable space with room for a full suite and media furniture.

To the rear is a fitted kitchen, arranged with a range of wall and base units and generous worktop space, with a useful breakfast bar for everyday dining. From the kitchen, doors lead through to a separate utility room—ideal for white goods and additional storage—along with access to the rear garden. Completing the ground floor is a convenient WC.

First Floor

The first-floor landing provides access to both bedrooms and the main bathroom. The principal bedroom is a comfortable double room, with space for wardrobes and bedroom furniture. Bedroom two is also well-proportioned, making it ideal as a second double room, guest room or home office.

The bathroom is a standout feature—generously sized and fitted with a modern suite including a freestanding bath, wash basin and WC, along with a separate shower enclosure.

Outside

To the rear, the property enjoys a tiered garden that offers a choice of seating and entertaining areas. There is an initial patio terrace, steps leading up to further sections, and a lawn area (laid with artificial

grass), all enclosed by a combination of fencing and brick walling. A timber shed provides useful external storage.

Location

The property is well positioned for access to Burton-on-Trent town centre amenities, including shops, cafés, leisure facilities and supermarkets, along with well-regarded schooling options nearby. For commuters, Burton-on-Trent railway station provides rail connections, while the A38 and A50 offer straightforward road links to surrounding centres such as Derby, Lichfield and beyond.
