

This exceptional property on Highwood Road seamlessly blends period charm with modern convenience, offering a spacious and beautifully maintained home both inside and out. The entrance hallway sets the tone with striking Minton tiled flooring and a traditional balustrade staircase, while the ground floor features a neatly presented cloakroom and a practical utility room with access to the garden. The expansive dual-aspect lounge is flooded with natural light from its bay window and French doors, and features a cast-iron log-burning fireplace, creating a warm and inviting atmosphere.

The true heart of the home lies in the open-plan kitchen, thoughtfully designed with a central breakfast island, granite worktops, a Belfast sink, integrated appliances, and a feature Rangemaster cooker. A bay window brightens the space, and the kitchen flows effortlessly into the dining and seating areas. With French doors and a Velux window leading onto the landscaped rear garden, this area is perfect for modern family life and entertaining.

Upstairs, the principal bedroom enjoys abundant natural light from four windows and includes a private dressing room and luxury en-suite with a double walk-in rain shower. The second bedroom is generously sized and fitted with ample built-in storage, while the third bedroom offers peaceful views over the rear garden. The elegant family bathroom, fitted with high-end Villeroy & Boch fixtures, features a freestanding roll-top bath and integrated vanity storage.

Externally, the home sits on a well-positioned plot with a double-width driveway providing ample off-road parking. The front garden is attractively landscaped with mature hedging for privacy. To the rear, the garden is a true highlight—meticulously maintained and landscaped with paved patio space, manicured lawns, and mature borders, creating a tranquil and private outdoor retreat.

Viewing by appointment only.

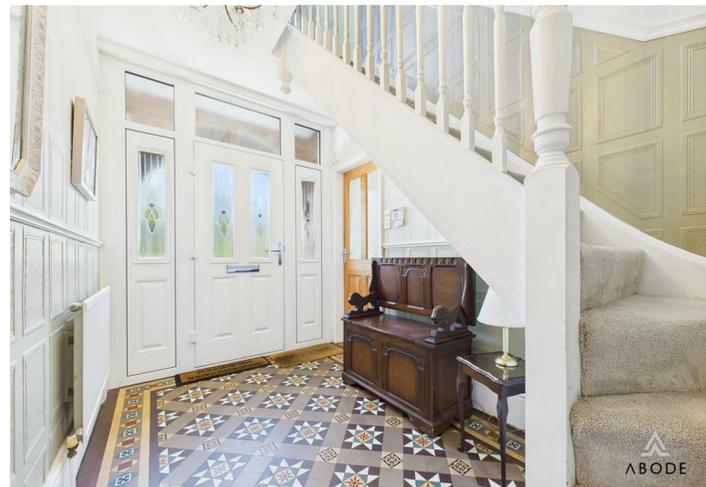

Entrance Hallway

A striking entrance to the property, featuring a composite double glazed front entry door with adjoining and overhead glazed panels that allow natural light to flood the space. The hallway retains its original charm with Minton tiled flooring throughout and a balustrade staircase rising to the first-floor landing. Further benefits include a central heating radiator and internal doors providing access to the principal ground floor rooms.

Lounge

An impressive and spacious dual-aspect lounge, bathed in natural light from a bay window to the front elevation comprising five UPVC double glazed units. The focal point of the room is the charming cast-iron log-burning fireplace with a timber mantle and granite hearth. Additional features include coving to the ceiling, a central heating radiator, TV aerial point, and a further extended entertaining area to the rear, complete with UPVC double glazed French doors and adjoining windows that open out onto the garden, creating a perfect space for both relaxation and social gatherings.

Living/Dining Kitchen

Undoubtedly the heart of the home, this impressive open plan living space is beautifully designed for modern family life and entertaining. The contemporary kitchen features a stylish breakfast island with granite worktops and integrated wine storage, along with a range of base-level units housing a Belfast ceramic sink with mixer tap and an integrated dishwasher.

Additional matching base and eye-level units, including elegant display cabinets with LED downlighting, provide excellent storage and frame the focal point of the kitchen—a striking Rangemaster cooker with integrated extractor fan. A wine cooler is also included for added convenience. A charming bay window to the front elevation, comprising five uPVC double glazed units, allows natural light to flood the space.

An opening leads into a delightful dining area, with a uPVC double glazed window to the side elevation and a central heating radiator. High-quality oak effect panelled flooring continues through to the rear seating area, where a Velux roof window and uPVC double glazed French doors open directly onto the beautifully landscaped rear garden, creating a perfect indoor-outdoor flow.

Utility Room

A practical and well-appointed utility space with tiled flooring throughout, plumbing and freestanding under-counter space for white goods and appliances. Features include drop-edge granite-effect preparation work surfaces with tiled splashbacks, a stainless steel sink and drainer with mixer tap, and housing for the central heating gas boiler. Finished with a central heating radiator, ceiling spotlights, and a UPVC double glazed door providing access to the exterior.
