

A three-bedroom detached country property in the sought-after rural village of Croxden, this home has undergone a full and comprehensive refurbishment by the current owners. Notably, the owner has fitted an air source heat pump and installed new windows, massively improving the energy efficiency of the property. Set on a mature plot of approximately 0.25 acres, the property enjoys stunning rural views over Croxden Abbey.

The beautifully presented accommodation blends modern finishes with character features, offering a welcoming entrance hall, a refitted kitchen/diner with open-plan living space, cloakroom, store room, utility area, sitting room, and lounge on the ground floor. Upstairs, there are three bedrooms and a refitted four-piece bathroom. Outside, the property boasts a double-width carport, two versatile store/workshop rooms, and well-maintained gardens to both the front and rear. This exceptional home combines high-quality modern living with an idyllic countryside setting and enhanced energy performance.

Viewing by appointment only.

REAR VIEW

### W.C.

Fitted with a low-level WC and integrated wash hand basin with mixer tap, this cloakroom features herringbone flooring, a central heating radiator, and a uPVC double-glazed frosted window to the side elevation.

### Sitting Room

A cosy and functional space with a glazed rear window, fitted base and eye-level storage cupboards, roll-top work surfaces, stainless steel sink and drainer with mixer tap, and a rear entry door leading to a useful former outhouse ideal for storage.

### Lounge

A beautifully proportioned reception room enjoying dual-aspect views to the front and rear via two uPVC double-glazed windows. The herringbone oak flooring adds warmth and character, while the focal point is a cast iron log-burning fireplace set within a granite composite Adam-style surround. The room also features a TV aerial point and two central heating radiators.

### Landing

The first-floor landing is brightened by a uPVC double-glazed rear window and features a central heating radiator, glass barrier with handrail to the staircase, loft hatch access, and doors leading to the bedrooms and bathroom.

### Bedroom One

A well-proportioned room with a uPVC double-glazed front window, central heating radiator, and telephone point.

### Bedroom Two

Also front-facing, with a uPVC double-glazed window and central heating radiator.

### Bedroom Three

Positioned to the rear, this bedroom features a uPVC double-glazed window and central heating radiator.

### Bathroom

The re-fitted bathroom offers a stylish four-piece suite comprising a low-level WC with continental flush, freestanding claw-foot bath with chrome taps and shower attachment, large corner shower cubicle with waterfall showerhead and complementary wall tiling, and wash hand basin with chrome mixer tap. Additional features include a central heating radiator, ceiling spotlights, and a uPVC double-glazed frosted window to the rear elevation.

### Car Port & Outbuildings

The property benefits from two versatile store/workshop rooms with windows to the rear, fitted work units and storage units, all under a new roof with timber exterior cladding. Double interior doors open to a spacious double-width carport at the frontage.
